WORK
INTERNATIONAL

Goodchild Marine Services are proud to have been engaged by Estuary Services Limited to build two NEW ORC 17m Pilot Launches designed by Pantocarene Naval Architects, these new craft to the UK shall provide fast and efficient transfer speeds, combined with economical cruising and outstanding sea-keeping qualities.

The hull design offers an advanced double chine with forward 'beak', developed following extensive research in Europe and has been adopted by many leading Port Authorities and Rescue organisations on the Continent. Crew comfort exceeds conventional craft by utilising a revolutionary flexibly mounted wheelhouse.

Talk to us about your future Pilot Launch requirements ranging from 10 -17m.
